Mr. T.C.C. Carr agreed with him; but he added that the force should be drawn from the Kadur District Police and not from the Shimoga Special Reserve, the Kadur Police force being strengthened by the no required.

Subsequently the matter seems to have been referred to Mr. Mir Hamza Hussain, ~~the passed~~ Supdt. of Police, Kadur District, who, studying the actual requirements of the place reports that the strength of 12 Constables and a daffedar is insufficient for guarding both the treasury & the temple of the Mutt, that the no must be increased by 4 Constables & [illegible] & instructs the following

The Agent of the Sringeri Mutt has promised to pay a lump sum of Rs 100 per month for the cost of the force. Deducting this from the above amount, the extra cost to Govt amounts to Rs 133 exclusive of the cost of clothing etc.

He also makes certain requests & reservations. Vide his memo enclosed with the Dy's letter. 1/

In his letter No. 200 dated 21st October 1902, the Agent, Sringeri Mutt represents that the arrangements now sanctioned for guarding the Mutt differ from those originally agreed by the jaghirdar in the following respects:—

(1) The present order contemplates the permanent withdrawal of the Barr guard, which being an honour, the jaghirdar does not like to lose.

It is stated that this force is in existence from time immemorial, that in 1897, when numerous dacoities occurred in the Kadur Dt., a Reserve Police guard of 6 constables, in addition was sanctioned for the safety of the Mutt and that what was proposed by Sir K. Sheshadri Iyer when he visited Sringeri in 1899 was that if the jaghirdar were to give a fixed sum, a double guard of

Special Reserve force would be given in place of the existing Police & Barr guards, the latter of which, however, would be given ba whenever the jaghirdar would require i and that the jaghirdar agreed to the abo and promised to pay a sum of Rs 100 per mensem.

(2) The original proposal was to emplo the Special Reserve force whereas the prese order directs the employment of local police

Further the order, it is stated, is not clear as to whether the newly sanctioned guard is to be changed periodically or kept on permanently.

The ~~jaghirdar~~ Agent requests Government to reconsider their order and states that in case the arrangements originally proposed cannot be sanctioned the jaghirdar will be glad to have one Barr & one Police guard as at present or

two Barr guards + will pay the promised contributin of Rs 100 per mensem. He further equests that pending final orders in the matter the existing guards may be continued.

The Instt Agents representation may be forwarded to the D.C. of Nlr for remarks.

One does not see the difference so far as Police asst is concerned. In place of 6 Constables of the Reserve, there are 12 men with two Daffedars. They are also special Mendars. They are also special men though not forming part of the reserve force.

If the Jahgirdar agrees, perhaps ~~the clause~~ an order may be passed that the Barr guard will be restored if he should wish for it.

Accg to the order, the force now given is permanent appointment to the men will not be

periodically changed.

Orders were issued in accordance with the Diwan's Note dated 3rd November 1902. With reference to the above, the Inspector General of Police enquires whether this order cancels the previous order contained in Govt. Proceedings No. 1165-6/J 114 dated 21st July 1902, sanctioning the establishment of a Police force of 2 Duffedars and 12 Constables for guarding the Mutt

No. 2318/171 d: 27-11-02.

This force was sanctioned in lieu of the Barr and Reserve guards which were ordered to be dispensed with. The subsequent order of the Govt. was to the effect that the Barr and Reserve force should continue as heretofore. What was sanctioned in Govt. Proceedings of the 21st July 1902, referred to by the Inspector General, is District Force and not Reserve Force. The subsequent order of the Govt. seems to contemplate the continuance of the old arrangement, viz the Barr and the Reserve guards

~~THE~~ SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

A Barr Force consisting of 1 Havaldar, 1 Naik, and 6 Sepoys guard the Treasury of the Sringeri Matt at Sringeri. The Matt pays a lump sum of Rs 56/ monthly on this account. There is also a police guard of 6 constables. Nothing is paid by the Matt on this account. This guard is supplied by the Special Reserve Force of Shimoga and it is changed once in 3 months. It guards the temple of Sri Sharadamma.

with the former Deputy Commissioner (Mr. Carr) remarks thereon;

(b) Memo dated the 3rd October 1901 by the Agent of the Arrigeri Mutt offering to pay Rs. 10/- monthly towards the proposed Police guard; and

(c) Memo of the present Police Superintendent (Mr. Hamza Hussain) furnishing further information in the matter.

5. It will be seen from the above that it has been proposed that a Police guard of 16 constables and 2 officers (viz, 1 Head Constable and 1 Sergeant) be given not from the Shimoga Special Reserve but from the Kadoor District force, substitutes being employed in their stead; 10 of the constables getting Rs 9, 6, Rs 10/, the Sergeant Rs 12 and the Head Constable Rs 14/ with a fixed monthly Imamad

or

2. In March 1900 the late Dewan Sir Sheshadri Iyer opined that the Barr guard should be dispensed with and a sufficient number of armed police men (12 constables and 2 officers) be attached to the Matt, that institution paying "a fixed monthly sum based on an average of salaries and not actual salaries". A copy of his memo is herewith submitted for ready reference.

3 On receipt of the said memo the Hon. Raingaswamy Iyengar, the then Inspector General, caused some enquiries to be made and I now beg to report the result thereof for the orders of Government.

4. I beg to enclose herein copies of the following viz,

(a) Memo dated the 27th June 1900 by the former Police Superintendent (Mr. Dunning) of the Kadur District with

on that batta of Rs 3/ to each constable, Rs 4/
to the Serjeant and Rs 6/ to the Head
Constable. The total monthly cost is Rs.
233/. Deducting the contribution of Rs 100/
promised by the Natt, the balance to be
paid by Government is Rs 133/ - per
month or Rs 1596/ per year. To this has
to be added the cost of the arms to be
given and that of the annual supply
of ammunition, dress, &c.

6. I do not know if the Government
are prepared to bear all this charge. If
they are pleased to pay it, it is all right.
If not, I beg to propose that 7 Constables
on Rs 8 each, 5 constables on Rs 9 each; a
Deputy Duffadar on Rs 10/ and a Head
Duffadar on Rs 11 be appointed with a
monthly batta of Rs 3/ to each Constable
and Rs 4/ to each Duffadar. The total
monthly cost will be Rs 166/.

7. The initial cost of their dress, &c,
will be Rs 208-8-10 as per list to Hand

B

3 enclosed. Annually their clothing will cost Rs. 80/ one year and Rs 90/ another year, and so on alternately, as drill and Khaki clothing is issued by turns.

8. It is for the Government to decide whether the Natt should pay the whole of it on the ground that the entire force is solely for its benefit, or only a part of it.

9. To this has to be added the cost of the 14 carbines to be brought at Rs. 41 - 8 - 0 each. Cost of ammunition will be about Rs 40/ per year. Who should pay it, is also a point for decision.

I have the honor to be,

Sir,

Your most obedient Servant,

Offg. Inspector General of Police

S.

Notes.

The Sringeri Mutt has a Bar Guard for which it pays. The payment is fixed at Rs6/ per mensem for 8 men.

For greater security the Mutt has been given a body of armed Reserve Policemen. (6 men).

There is a Police Station maintained at Sringeri. It is rural Police, not Town Police.

The best plan is for the Mutt to dispense with the Bar Guard for the present, it being understood that the Government will provide such a guard as heretofore whenever the Mutt asks for the same.

In lieu of the present Bar and Police guards the Mutt to have an select armed Police guard of say 12 with necessary officers, two, - total 14 -, the Mutt paying for such guard a fixed monthly sum based on average salaries and not actually salaries, following in this respect the present practice as regards Bar guards.

Situated

situated as the Matha is in a wild remote corner and having regard to plunders of temples, &c, elsewhere it behoves us to provide efficient protection for the valuable property of the Chavadi temples, in the Matt. Specially selected Naidu ex-sepoys would be useful.

Inspector General will submit proposals accordingly.

Report re Special Reserve Police for the Sringeri Matt, as called for by the Inspector-General of Police in his D. Letter to the Deputy Commissioner, dated 6th April, 1900.

---

1. The number of the present Shimoga Special Reserve

Memo.

I concur with the proposals of the Superintendent of Police with these reservations:—

(1) I think it most essential for the proper working of a Special guard at Sringeri that it should be drawn from the Kadur District Reserve. & not from Shimoga. It is an anomaly that the reserve of one District should be made use of, and be under the supervision of, the Superintendent and Deputy Commissioner of another District. If, as is proposed, a force of 12 Constables and one Duffedar is to be located at Sringeri, this force should be

Reserve Police employed in the Matt is six constables, one of whom is 1st class. Their services are utilized in guarding the Sharadamba temple, both day and night. Each guard consists of two men who are relieved every 2½ hours. At night all of the six men remain at the entrance to the temple and are thus ready for any emergency. They are armed with four Carbines and one Long rifle. At present the 1st class Constable is in charge of the other five men and checks the guards, &c;

The present Barr Guard consists of 1 Havildar, 1 Naique, and 6 Privates.

Any

They guard the Mutt is Treasury which is quite separate from the Temple. Similarly to the Police the guards are changed Every 2½ hours.

2. The Special Reserve Police get Rs 10 and Rs 9 a month as pay according as they are 1st or 2nd class. They were getting the usual daily allowance of 1½ annas when away from District Head Quarters, and this was being drawn as Mahanad and Ghat batta along with their pay. Subsequently separate batta bills were sent up under Government Proceedings No. 8369/39-93 dated 20-1-98, at 3 annas a day. The batta be drawn from the Taluk and with the Shimoga Police reserve - the Taluk Police being strengthened by the number required. The distance from Chickmagalur to Sringeri, is virtually the same as from Sringeri to Shimoga.

(2) The Mutt should be asked to build 4 more lines - a double one for the Duffedar and 2 for the men - and to keep the old lines in

in repair.

(3) In addition to the pay of Rs and 9/ now drawn a Special Chat Allowance of 4 annas a day to cover all Travelling allowance and other batta, might be given.

The Mutt should, I consider, be asked to pay this. 4 annas a day batta might be given for the monsoon months, viz, June, July, August, September, October, November, and 2 annas a day for the rest of the year.

batta bills for September and October 1899 were audited by the Comptroller at 3 annas a day under Government Proceedings No. 10306-7/906 of 14-3-00. The new Proceedings seemed to have been called for as the one of 20-1-98 alone referred to, sanctioned the double batta of 3 annas a day only while travelling in the Malnad and not for halts.

The new Proceedings have not yet been received.

No allowances or rations are given by the Mutt authorities.

3. Twelve Constables, two of whom should be 1st class, with a

Deffedar

Duffedar, will suffice for the two Sentry guarding the Sheriff Treasury — and Shamlambala's temple, &c; This will allow six men for the Treasury and six for the Temple. The guard will, as at present, consist of two men at a time and they will be relieved once in three hours. Their duties will be regulated under the supervision of the Local Jamedar.

4. There are at present five Line-houses, which are in rather a bad state of disrepair. Three of these are occupied by

(4) The men should be changed once in 3 months throughout the year.

Note. The men actually on service at Sringeri should be given water proof calico or grass Coats — these to be kept at Sringeri and issued to each batch on arrival.

by the Barr Sepoys, who, owing to the fact that they are relieved once a year, have brought their families with them. If the Barr guard is replaced by Special Reserve Police, these five line-houses will suffice, as, if the men are relieved every three months, they will not bring their families and will club together.

If necessary, the Mall is prepared to erect additional quarters.

---

5. The present arrangement of relieving the Special Reserve force once in three months is the best, as it will not only prevent the men from falling off in their drill and discipline, as remarked by

by the Inspector General, but will also find favor with the men, who would naturally like to return to their homes as soon as possible. The possibility of their getting too much in touch with the local bad Characters would also be minimised.

As shown below it takes 4 days for the relief to march from Shimoga to Sringeri:-

1. Shimoga to Umblebaile 14 miles.
2. Umblebaile to Yedehalli 14 miles.
3. Yedehalli to Koppa 14 miles.
4. Koppa to Sringeri 14 miles.

Report

19 Enclosure 3 to Dis. 1

Report on the Police Guards to be furnished to the Sringeri Mutt as called for in Inspector Generals' D.O. letter dated 6th April 1901.

---

1. The Sringeri Mutt is furnish-ed at present with two guards, - one of the Barr sepoys which consists of 1 Havildar, 1 Naick and 6 sepoys and another of special Reserve constables from the Shimoga District consisting of 6 constables only. The former guard the Mutt Treasury and the latter the temple of Sri Saradamba on account of the valuable Jewelry

Jewelry which is kept on the deity.

2. The Mutt consists of 3 large quadrangular buildings with a court-yard in the middle as is the fashion with all the old native buildings. These buildings though they form separate blocks are contiguous with each other and have their entrance doors facing the same side. on both sides of the doors there are rooms which are formed by enclosing the Outer - - Verandah. Beyond these, facing the inner court-yard are extensive verandahs supported on teak-wood pillars. Each building has an upperstory on the front and the backsides.

3. Sri Saradamba's temple

is

is situated in the middle of the court yard of the central building. It is 17 x 15 ft. and is built of rough stone. Between it and the Verandah there is an open space all round which is just sufficient to admit the ceremonial car passing through. The temple is connected with the verandah in the front by a raised platform. The police guard is stationed at the gate of the building opposite the temple and watches the door of the temple from a distance of 56 feet, which is the space occupied by the Verandah and the raised platform. By the side of the door mentioned there

is

is a small room opening into the verandah in which large silver vessels and ornaments of the Mutt are kept. This room is not a safe room as it is exposed on two sides and there is another story over it which is used as a lumber room.

4. The Treasury is located in a room in the building to the right of this. This room opens into the inner Verandah and at the door the Barr Sepoy guard is kept. In the upper story above this room, is situated the library of the Mutt which is closed at nights. The

treasury

running room is not a safe
room and is exposed on two
sides to the operations of
professional burglars. Any
daring burglar can reach
the room without attracting
the notice of the guard,
from the upper story.
Having regard to the
unsafety of this room,
an iron safe has been
purchased by the Mutt.
It is too large in size,
its dimensions being
8 x 6 x 4 feet. The

The doors of the Treasury room are not large enough to admit it; and hence it is kept outside in the inner Verandah under the charge of the Sepoys. The Treasure of the Mutt and all the valuable jewels are kept in this safe.

5. To obviate the necessity of having two guards, the Treasury will have to be removed to the building in which Sri Saradamba's temple is situated. But there is no room in this building for the Treasury nor can one be made without seriously affecting the building. I am of opinion, therefore, that two guards are necessary for the Mutt. The agent whom I consulted in the matter is also of the

Sam

same opinion.

6. If the Barr guard is to be replaced by constables of the Special Reserve Force as suggested in the late Dewan's memo, the present strength of the Special Reserve guard will have to be increased by one officer and 6 men bringing up the total strength to (1) one officer and 12 men. The Agent wants the same number of Constables but proposes an increase of one more officer. His demand seems to be reasonable as there will have to be guards at two different places and one officer cannot be expected to effectively supervise them at nights.

nights. But I think the number of constables demanded is insufficient. When processions go out with deities be decked with valuable jewels a guard will have to escort them and men for this purpose will have to be withdrawn from the Treasury and Temple guards. But thefts generally occur on such occassions when the attention of the people is diverted towards other objects and it would be a mistake to diminish the strength of the guards at the Treasury or Sri Saradamba's temple. Besides, with 6 constables, the guarding cannot be carried on effectively without overworking

the

the constables. I would propose the strength of each guard to be raised to 8. The total No: of constables required will be 16 of whom 6 may be 1st. class and 10, 2nd. class. Of the 2 officers, one may be a Sergeant on Rs 12/- and the other on Rs 14/- a month. The latter may be designated, while at Srungeri, as Head Constable and may be invested with the control of the whole force. The cost of the establishment will be as follows:—

Serial No:	Designation	No:	Salary per month Rs	Total Rs	Remarks Rs/-
1	Head Constable	1	14/-	14/-	
2	Sergeant	1	13/-	13/-	
3	1st. class Constable	6	10/-	60/-	
4	2nd. class Constable	10	9/-	90/-	
			Grand Total	Rs 176/-	

7. At present a batta of 4 annas per diem is given to each of the 16 constables or a sum of Rs. 7. 8. 0 a month. But this I think is somewhat excessive as the constables remain stationary for a period of 3 months at least. A fixed batta may be given them in lieu of the daily rates. I would propose the following scale.

	Rs	Total Rs/
Head Constable	3/-	5/-
Sergeant	1/-	4/-
Constables (16)	3/-	48/-
	Total Rs	57/-

The total cost of the force will come to Rs. 176-4-57 = Rs. 233 a month, excluding of course the cost of the

the clothing &c.

8. The Mutt has been contributing to the Government now, a sum of Rs. 56/- a month, towards the Barr guard and further pays the Sepoys a lump sum of Rs. 13/- a month as their batta. The Agent promises to enhance the amount to Rs. 100/- a month which seem may be regarded as satisfactory having regard to the Financial condition of the jahagir.

9. The Agent proposes that this guard while at Sringerishwar be under the orders of the Deputy Amildar of the jahagir. The Deputy Amildar, I think, may

be

be invested with powers of supervision and of carrying on correspondence with the Superintendent of Police on behalf of the force. It is the Deputy Amildar or the Agent who determines on what occasions an escort is to be furnished to processions and what is to be its strength. In any case, the officer in charge of the guard will have to follow their instructions and there is no harm, I think, in making him subordinate to the Deputy Amildar or the Agent. There is no fear of the Force deteriorating in discipline as the Agent promises not to depute

them

them on other than guard and escort duties. On the other hand, I think that under the immediate supervision of the Mutt. authorities, there will be no negligence or remissness on the part of the Force in the discharge of their duties and that the work will go on smoothly without any friction between the Mutt and the Police authorities.

The memo of the Agent of the Mutt is herein enclosed.

READ—

1 Letter No. 2116—167, dated Bangalore, 16th October 1901, from the Officiating Inspector General of Police in Mysore to the Secretary to the Government of Mysore, General and Revenue Departments.

1. A Barr force consisting of one havildar, one naik and six sepoys guard the *treasury* of the Sringeri Matt at Sringeri. The Matt pays a lump sum of Rs. 56 monthly on this account. There is also a Police guard of six constables. Nothing is paid by the Matt on this account. This guard is supplied by the Special Reserve Force of Shimoga and it is changed once in three months. It guards the temple of Sri Saradamba.

2. In March 1900 the late Dewan, Sir Sheshadri Iyer opined that the Barr guard should be dispensed with and a sufficient number of armed Policemen (12 constables and two officers), be attached to the Matt, that institution paying "a fixed monthly sum based on average salaries and not actual salaries." A copy of his memo is herewith submitted for ready reference.

3. On receipt of the said memo, Mr. Rangasamy Iyengar, the then Inspector General, caused some enquiries to be made, and I now beg to report the result thereof for the orders of Government.

4. I beg to enclose herein copies of the following, *viz.* :—

(*a*) Memo dated the 27th June 1900 by the former Police Superintendent (Mr. Dunning) of the Kadur District, with the former Deputy Commissioner's (Mr. Carr's) remarks thereon;

(*b*) Memo dated the 3rd October 1901 by the Agent of the Sringeri Matt offering to pay Rs. 100 monthly towards the proposed Police guard; and

(*c*) Memo of the present Police Superintendent (Mr. Humza Hussain) furnishing further information in the matter.

5. It will be seen from the above that it has been proposed that a Police guard of 16 constables and two officers (*viz.*, one head constable and one sergeant) be given not from the Shimoga Special Reserve but from the Kadur District force, substitutes being employed in their stead; ten of the constables getting Rs. 9, 6, 10, the sergeant Rs. 12 and the head constable Rs. 14 with a fixed monthly malnad or ghat batta Rs. 3 to each constable, Rs. 4 to the sergeant and Rs. 5 to the head constable. The total monthly cost is Rs. 233. Deducting the contribution of Rs. 100 promised by the Matt, the balance to be paid by Government is Rs. 133 per month or Rs. 1,596 per year. To this has to be added the cost of the arms to be given and that of the annual supply of ammunition, dress, etc.

6. I do not know if the Government are prepared to bear all this charge. If they are pleased to pay it, it is all right. If not, I beg to propose that seven constables on Rs. 8 each, five constables on Rs. 9 each, a deputy dafadar on Rs. 10 and a head dafadar on Rs. 11 be appointed with a monthly batta of Rs. 3 to each constable and Rs. 4 to each dafadar. The total monthly cost will be Rs. 106.

7. The initial cost of their dress, etc., will be Rs. 208-8-10 as per lists A and B enclosed. Annually, their dress will cost Rs. 80 one year and Rs. 90 another year, and so on alternately, as serge and khaki clothing is issued by turns.

8. It is for the Government to decide whether the Matt should pay the whole of it on the ground that the entire force is solely for its benefit, or only a part of it.

9. To this has to be added the cost of the 14 carbines to be bought at Rs. 41-8-0 each. Cost of ammunition will be about Rs. 40 per year. Who should pay it is also a point for decision.

(2) Letter No. 4734—336, dated 25th April 1902, from the same Officer, stating that if the proposal for the entertainment of a Police force exclusively for guarding the Sringeri Matt is sanctioned, the detachment of the Special Reserve Force at present guarding the Matt will be relieved and ordered to return to the Shimoga District head-quarters.

No. 1165-6—J. 114, DATED BANGALORE, 21ST JULY 1902.

ORDER THEREON.—As suggested by the Inspector General of Police, Government are pleased to direct that the Barr force guarding the treasury of the Sringeri Matt be dispensed with and in its place, a Police force of the following strength and cost

be deputed to guard both the treasury of the said Institution and the temple of S damba where the valuable jewellery is reported to be kept :—

				Rs.
1 Dafadar on Rs. 11+4 (allowance)	...	...	...	15
1 Lance dafadar on Rs. 10+4 (do)	...	...	...	14
5 Constables on Rs. 9+3 (do)	...	...	...	60
7 Do on Rs. 8+3 (do)	...	...	...	77
		Total	...	166

This force will be drawn from the Kadur District Police establishment, whose strength may be raised by the above number, the detachment from the Shimoga force now working in Sringeri being withdrawn. It will be under the control of the Deputy Amildar of Sringeri, subject to the supervision of the District Superintendent of Police and the Deputy Commissioner, Kadur.

The cost of the force amounts to Rs. 166 per mensem and the Agent of the Sringeri Matt has promised to pay a lump sum of Rs. 100 on this account. The additional cost thus amounts to Rs. 66 per mensem, which the Comptroller is requested to make provision for in the next year's budget.

Dated Sringeri 21st October 1902.

H. V. Nanjundayya Esq.,
M.A., M.L.,
Secretary to Government,
General + Revenue Depts.

Sir,

With reference to Government Proceedings No 1165/J 114 dated 21st July 1902 sanctioning a Police force to guard the Sringeri Matt, I am directed to state as follows:—

The Sringeri Matt has had from time immemorial a guard of Barr force which is an honour as well as a source of safety. About the year 1894, when numerous dacoities occurred in the Kadur district, Government

considered it necessary to increase the guard to protect and accordingly sanctioned a Reserve Police guard of six constables which still continues.

In the year 1899 when the late Dewan Sir K. Seshadri Iyer visited Sringeri, he considered that there would be more safety in the Special Reserve guard than in the Barr guard and proposed that, if the Jahgirdar were to give a fixed amount, a double guard of Special Reserve force would be given in place of the existing Police and Barr guards, the latter of which, however, being an honour, would be given back whenever the Jahgirdar would require it. Accordingly the Jahgirdar consented to the arrangement and agreed to pay a fixed sum of Rupees (100) one hundred per mensem.

But the arrangement now

sanctioned by Government differs very much from that agreed to by the Jahgirdar. The present order seems to contemplate the permanent withdrawal of the Barr guard which, being an honour, the Jahgirdar does not like to lose. The original proposal was to employ Special Reserve force whereas the present order directs the employment of local Police. Besides it is not clear whether the sanctioned guard is to be changed periodically, or kept on permanently.

Under these circumstances, I request that you will be so good as to place the wishes of the Jahgirdar before Government so that they may be graciously pleased to re-consider the matter. In case the arrangements originally

proposed cannot be sanctioned,
the Jahgirdar will be glad to have
one Barr and one Police guard
as at present or two Barr guards
and will pay the promised con-
tribution of Rupees (100) one n
hundred per mensem. I request
further that pending final orders
in the matter, the existing guards
may be continued.
